

## Payment and cancellation conditions

### Our payment conditions:

7 days after booking, we would like to have a deposit of 30%.

The final payment can be transferred by bank 14 days before arrival or paid in CASH upon arrival.

Please note: Payment by credit card or Maestro is not possible in our house!

### Our flexible cancellation conditions:

- There are no cancellation fees up to 60 days before departure.
- From 60 days before arrival or non-arrival, 90% of the booked arrangement will be charged.

If there is a cancellation without costs, the deposit will of course be transferred back to you.

From our own experience, we can only recommend that you take out travel cancellation insurance because you never know what will happen. We prefer our long-standing partner, Europäische Reisetornoversicherung. If you like more informations, we can send you this.
