

Mountainbike

nock/bike Bad Kleinkirchheim

The nock/bike experience extends over 750 km, from 2000m high peaks to beautiful lakes. In the middle of the Nockberge there are demanding single trail descents, the longest Flow Country Trail in Europe and leisurely bike tours for the whole family.

As a bike pension, we offer our guests the following additional services:

- A lockable bike room
- Bike washing area
- Bicycle stand
- Bike Info Corner
- Repair stand
- Bike repair tool
- Air pump
- Lubricant
- Assistance with your personal route planning
- Hoses (extra charge)
- Laundry service (on request with extra charge)

EUROPE'S LONGEST FLOW COUNTRY TRAIL IN BAD KLEINKIRCHHEIM

Mountain bikers can expect scooters, small drops and individual steep curves on the route paved with gravel! Along the trail, the "rest and relaxation areas" embedded in the landscape invite you to take a short break.

Hard facts about the trail:

- Open since July 2019
- Start: 2,055m at the Kaiserburg mountain station
- Course: approx. 16 km in a varied natural landscape
- Elevation gain: 970 m to the valley
- Slope: 8% on average

The Nock Lake Trail is a collection of natural trails from the Kaiserburg to Feld am See!

It includes the following trails:

- T8 Rossalmhütten-trail
- T9 Maibrunn-trail
- T20 Bachweg-Trail
- T1 Alter Almweg Trail
